PEC PHARMA
EDUCATION
CENTER

The **Pharma Microbiology Congress** is the European annual meeting point of professionals involved in the sterile manufacturing of medicinal products and medical device.

A full immersion on the **latest regulatory updates**, new technologies for the detection and containment of contamination, best practice and **strategies to improve the sterility assurance** of the manufacturing and control of sterile medicines.

Professionals belonging to different areas of expertise (Production, Engineering, Quality Control, Quality Assurance, R&D, Maintenance) will get together to **share and discuss the hottest topics** with experts coming from Regulatory Bodies, Pharmaceutical Companies, Consultancy, Associations and New Technologies providers.

The program will see the contribution of **international Top Speakers** as experts, key opinion leaders and representatives of institutions.

WHO SHOULD ATTEND?

The event is aimed specifically at Pharma, Biotech and Medical Device Companies, Regulatory bodies and Technology Suppliers involved in the manufacturing and control of Sterile medicines.

VIRTUAL + FACE TO FACE

PMC comes back with a mixed format!

The first two days, November 23 and 24th, will be virtual and will see the participation of worldwide experts and key opinion leaders.

The third day, November 30th, will be a face-to-face meeting in Milan, where you will have the chance to meet colleagues and the speakers of the congress: a great opportunity for the sterile manufacturing community to get together!

EXPERTS & KOLs OF THE FIELD WILL SHARE THEIR EXPERIENCES AND KNOW HOW:

From regulatory issues to the most technical aspects, our speakers will share their deep expertise with the audience through **speeches, round tables and question times**: ask questions, rate the ones coming from the audience and let us know what is important for you to know.

GET UPDATED ON THE LATEST TECHNOLOGIES AND TECHNOLOGICAL ADVANCES

Each day, a session dedicated to new technologies and technological advances that are changing the world of sterile manufacturing. **Don't miss webinars, interviews and demonstrations, and chat with real experts of the field.**

FOLLOW THE ROAD TO PMC2022

The initiative will see us and the sponsors working in synergy before the conference by organizing a series of thematic webinars and interviews: subscribe to the LinkedIn page and don't miss them!
